SECTION 1. DEFINITIONS

As used in this Ordinance, the following words and phrases shall have the following meanings:

- A. “Calculated Value” shall mean the total Transport Gas measured in Dekatherms (Dth), delivered to a Transport Gas Consumer for a billing period, multiplied by the Settlement Price to arrive at the value of the Transport Gas transported by Grantee for that Transport Gas Consumer.
- B. “City” shall mean the City of Muskogee, Oklahoma, a municipal corporation.
- C. “Consumer” shall mean any individual person, corporation, company, partnership, firm, unincorporated association, trust, municipality, or public or private entity located within the municipal corporate limits of the City and serviced by the Grantee through any use of the Public Ways.
- D. “Dekatherm” or “Dth” shall mean a measurement of natural gas equal to 1,000,000 British Thermal Units (“Btu”), or 1 MMBtu, on a dry basis. Btu shall be computed on a temperature base of 60 degrees Fahrenheit and a pressure base of 14.73 PSIA.

- G. “Franchise” shall mean the rights and privileges granted by the City to Grantee under Subsection A of Section 2 of this Ordinance.
- H. “Franchise Fee” or “Franchise Fees” shall mean the sum of fees to be paid to the City by Grantee under Section 11 of this Ordinance, at Paragraph A(1), as consideration for the use of the Public Ways and shall be inclusive or in lieu of any permit fees, lane closure fees and similar fees or charges for construction, installation, maintenance or restoration work on the Distribution System with the Public Ways.

- J. “Gross Receipts” shall mean any and all compensation derived by Grantee directly from the Distribution of natural gas to a Consumer for any use, including residential, industrial and commercial purposes, and shall include without limitation revenues from any operation or use of any or all of the Distribution System by Grantee or others. Gross Receipts shall not include revenues received by Grantee from Consumers as franchise fee reimbursement nor Volumetric Rate Fees collected by Grantee and remitted to the City in accordance with Paragraph 11.A(2) pursuant to an ordinance enacted by the City according to Paragraph 3.B(1) hereof, nor shall Gross Receipts include revenues from incidental charges

or miscellaneous fees not directly generated by the Distribution of natural gas to Consumers, such as, by way of example, connection and disconnection fees, reconnection fees, customer project contributions, returned check charges, delayed or late payment charges, temporary service charges, and other such charges.

- K. “Install, operate and maintain” shall mean to acquire, erect, construct, install, extend, repair, remove, relocate, replace, or otherwise operate and maintain.
- L. “Public Ways” shall mean any street, alley, avenue, boulevard, lane, park, parkway, sidewalk, driveway, utility easement, public right of way, and any other public ways, places, areas, or grounds within the municipal corporate limits of the City as now constituted or as may be added or extended hereafter.

- N. “Transportation Tariff Arrangement” shall mean any arrangement between Grantee and a Consumer pursuant to which natural gas owned by any party other than the Grantee shall be transported, distributed or sold through any portion of Grantee’s Distribution System and under one of Grantee’s tariffs or special contract for delivery to the Consumer.

- Q. “Volumetric Rate” shall mean Four Percent (4%) of the Calculated Value of Transport Gas as determined by Grantee in accordance with the provisions of this definition. The Volumetric Rate Calculation Form incorporated herein as Exhibit “A” shall be used for the calculation of the Volumetric Rate; provided, that if the City enacts an ordinance as described in Paragraph 3.B(1) below, the four percent (4%) multiplier labeled “4% Bundled Franchise Fee Rate” set forth on “Exhibit A” shall be completed by Grantee and filed with the City Clerk of the City upon Grantee’s acceptance of this franchise and annually by each July following acceptance. The calculation filed upon Grantee’s acceptance of this franchise shall be effective from the date of such filing through and including December 31 of the next succeeding calendar year. The calculation filed by Grantee on July 31 in years following the year of acceptance of this franchise shall be effective on January 1 of the next succeeding calendar year through and including December

31 of such calendar year. The calculation shall be subject to review by the City for mathematical correctness and the City shall notify Grantee in writing within forty-five (45) calendar days after submission if the City deems such calculation to be incorrect. The volumetric rate calculation shall be based on the average of the average Settlement Prices for the twelve-month period beginning in July of the immediately preceding year and ending in June immediately preceding the July 31 calculation. The average Settlement Prices for each month during said twelve-month period shall be calculated by adding the Settlement Prices for such month and the previous eleven (11) months as published and dividing by twelve. The average Settlement Prices for each of the twelve months shall then be summed and divided by twelve to determine the average of the average Settlement Prices and then multiplied by four percent (4%) to obtain the Volumetric Rate; provided, in the event the then-current average of the average Settlement Prices as calculated above and entered on the Volumetric Rate Calculation Form, attached as Exhibit A (see line designated on Exhibit "A" as "settlement price average"), exceeds the Index price for ONEOK Gas Transportation, L.L.C., that is listed in the issue of Platt's "Inside FERC's Gas Market Report" published on the first business day of the respective month ("Platt's Index price"), then the Platt's Index price shall be used to calculate the Volumetric Rate for that delivery month in lieu of the average of the average Settlement Prices entered on the Volumetric Rate Calculation Form (Exhibit A) (*i.e.*, for that respective delivery month, the Volumetric Rate shall be determined by taking the Platt's Index price and multiplying that price by 4% or the then applicable increased percentage determined in the same manner set out in Paragraph 11.A(2) of this franchise).

- R. "Volumetric Rate Fee" or "Volumetric Rate Fees" shall mean the fee or fees based on the Volumetric Rate to be collected and remitted to the City by Grantee as required by Paragraph 11.A(2) of this franchise upon the enactment of an ordinance as described in Paragraph 3.B(1).

SECTION 2. GRANT OF FRANCHISE

- A. The City hereby grants to Grantee for the term of Twenty-five (25) years from the passage and voter approval of this Ordinance, commencing upon the filing of a written acceptance by the Grantee, the right to enter upon the Public Ways to install, operate and maintain a Distribution System along, across, over and under the Public Ways for the privilege of transporting, distributing and/or selling gas to consumers and the public generally within the municipal corporate limits of the City.
- B. The Ordinance shall have the effect of and shall be a contract between the City and Grantee and shall be the measure of the rights and liabilities of the City as well as Grantee.
- C. The franchise granted by this Ordinance is not exclusive and nothing herein shall be construed to divest the City of its control and regulation of the Public Ways.

SECTION 3. FRANCHISE ASSIGNMENT, SALE OR LEASE

- A. Grantee shall not have the right to assign, sell, lease, or otherwise transfer in any manner whatsoever to any third party not affiliated with Grantee the rights and privileges granted under this Ordinance except as hereinafter provided. Any assignment, sale, lease, or other transfer by the Grantee of the franchise granted herein to any third party not affiliated with Grantee shall be ineffective and void unless:
- (1) The proposed assignment, sale, lease or transfer shall be in writing; and
 - (2) The prospective assignee, buyer, lessee or other transferee shall agree in writing to accept and become responsible for full performance of all conditions, covenants, obligations, and liabilities contained in this Ordinance; and
 - (3) Such writing shall be submitted to the City Clerk of the City.

This Subsection shall not apply to any arrangement which is in compliance with the provisions of Subsection B of this Section. This Section shall not apply to the use of any portion of Grantee's distribution system for the transportation, distribution or sale to any Consumer purchasing, receiving and using natural gas outside the municipal corporate limits of the City.

- B. After the operative date of this Ordinance, Grantee shall have the right to enter into or continue to operate pursuant to any "Transportation Tariff Arrangement" or to enter into or continue any arrangement by which natural gas owned by any party other than Grantee shall be transported, distributed or sold through any portion of Grantee's Distribution System for delivery to any Consumer located within the municipal corporate limits of the City, subject to the following:
- (1) Should the City, by separate ordinance, require persons transporting gas pursuant to a Transportation Tariff Arrangement to pay compensation to the City for use of the Public Ways in connection with the sale of Transport Gas, said compensation shall be calculated as a Volumetric Rate Fee and collected and remitted by Grantee as provided in Paragraph 11.A(2) of this ordinance;
 - (2) The Transport Gas Consumer shall have obtained a license from the City, if the City shall have a licensing ordinance in effect, for the use of the Public Ways in connection with such transport of natural gas, and the City shall have notified the Grantee in writing of such license.

SECTION 4. USE AND REPAIR OF THE PUBLIC WAYS

- A. Grantee's Distribution System shall be erected, placed, and laid or otherwise installed, operated and maintained in such a manner as will, consistent with reasonable necessity, least interfere with other public uses of the Public Ways.
- B. Before Grantee shall excavate or disturb the surface of any Public Way, except in the case of emergency, at least Forty-eight (48) hours advance notice shall be given to the City's Engineer, Public Works Director or other proper authority designated in writing by the City. After such excavation or disturbance, the Grantee shall, with due diligence and dispatch place the Public Way in a condition in compliance with the City's reasonable standards and specifications.
- C. Upon Grantee's failure to commence or complete any construction, maintenance or restoration work required by this Ordinance with due diligence and dispatch, the City may cause such work to be done after written notice to Grantee, given so as to afford Grantee an opportunity to commence and complete such work within a reasonable time. The cost of such construction, maintenance or restoration incurred by the City upon Grantee's failure shall then be charged to and collected from the Grantee.
- D. The City reserves the right to make and enforce reasonable regulations concerning the construction of Grantee's Distribution System located within, along, across, over, or under the Public Ways and to reasonably designate where the Distribution System's works and pipelines shall be placed, so long as such regulations are not unreasonable nor in conflict with this Ordinance, the laws of the State of Oklahoma and the United States or the orders, rules or regulations of the Oklahoma Corporation Commission or other regulatory authority having jurisdiction over Grantee.

SECTION 5. REGULATION OF SERVICE

- A. The Distribution System of the Grantee shall at all times be installed, operated and maintained in accordance with accepted good practice and in such condition as will enable the Grantee to furnish adequate and continuous service as required by the orders, rules and regulations of the Corporation Commission of Oklahoma or other regulatory authority having jurisdiction. The requirements set forth in this Section shall not relieve Grantee of any other obligations set forth herein.
- B. In the event that the Corporation Commission of Oklahoma or other state regulatory authority shall be deprived of the authority to regulate Grantee, then The City shall have the authority to set rates, terms and conditions of service for transportation, distribution or sale of natural gas by Grantee within the municipal corporate limits of the City.

SECTION 6. DEPTH OF PIPELINES

After the operative date of this franchise, Grantee's main or lateral lines installed or replaced in Public Ways shall be installed or replaced at depths which comply with all applicable state and federal rules and regulations establishing minimum safety standards for the design, construction, maintenance and operation of pipelines. Depth shall be measured from the lower of existing grade or proposed future grade as set forth on plans or other specifications existing at the time such lines are installed or replaced. For installation or replacement, Grantee shall comply with the City's reasonable requirements for compacting fill material under roadways, sidewalks or other structures within the Public Way.

SECTION 7. DUTY TO MOVE OR ALTER LINES

- A. The City reserves the right to lay or permit to be laid cables, electric conduits, water, sewer, gas or other pipelines and to do or permit to be done any underground work deemed necessary and proper by the City, along, across, over or under the Public Ways. In permitting such work to be done, the City shall not be liable to the Grantee for any damage to Grantee's pipeline unless the City or its agents or contractors are negligent in causing said damage.
- B. Whenever by reason of establishing a grade or changes in the grade of any street or in the location or manner of construction of any Public Way, cables, electric conduits, water, sewer, gas or other underground structures, it shall be deemed necessary by the City to alter, change, adapt or conform any portion of Grantee's Distribution System located in the Public Ways, such alterations or changes shall be made within a reasonable time by the Grantee, as ordered in writing by the City, without claim for reimbursement or compensation for damages against the City; provided, however, that this Section is not intended to require Grantee to alter, change, adapt or conform any portion of its Distribution System without reimbursement or compensation where the right to locate the same, whether by private right-of-way grant, utility easement or otherwise, was acquired prior to its location in the Public Way.
- C. If the City shall require the Grantee to adapt or conform its Distribution System or in any way to alter, relocate or change its property to enable any other person, firm, corporation or entity (whether public or private), other than the City, to use the Public Ways, the Grantee shall be reimbursed by the person, firm corporation or entity desiring or occasioning such change for any and all loss, cost or expense occasioned thereby.
- D. "Person," "firm," "corporation," and "entity" as used in Subsection C of this Section shall not include departments of the City, or any trust or authority formed by or for the benefit of the City for public utility purposes, but shall include any other agency or authority of the City, whether acting in a governmental or non-governmental capacity, including, but not limited to, any urban renewal authority, or any other agency or authority, which as a part of its program clears whole tracts

of land within the municipal corporate limits and relocates citizens for the purpose of urban development or similar aims.

SECTION 8. INDEMNIFICATION OF THE CITY

The Grantee shall indemnify, become responsible for and forever save harmless the City from any and all damages, judgments, reasonable costs and expenses, including attorney fees, which the City may suffer or incur, or which may be legally obtained against the City, for or by reason of the negligent use, repair or occupation of any public way within the municipal corporate limits of the City by the Grantee pursuant to the terms of this Ordinance or resulting from the tortious exercise by the Grantee of any of its privileges or by reason of its carrying on its business in the City (except where such damages, judgments, reasonable costs and expenses, including attorney fees, result from the tortious acts of the City or its agents or contractors); provided, however, that in the event of such claim or claims being prosecuted against the City, the Grantee shall have the right to defend against the same, and to settle or discharge same in such manner as it may see fit, and the City shall give prompt written notice to the Grantee of the presentation or prosecution of such claims.

SECTION 9. GRANTEE'S RULES AND REGULATIONS

The Grantee shall have the right to make and enforce such reasonable rules and regulations as it may deem necessary for the extension of its facilities, the sale of its gas and the prudent conduct of its business, provided that such rules and regulations shall neither be in conflict with the laws of the State of Oklahoma, with the orders, rules or regulations of the Corporation Commission of Oklahoma or other regulatory authority having jurisdiction, nor with the ordinances and regulations of the City insofar as they are consistent with the jurisdiction of the Corporation Commission of Oklahoma or such other regulatory authority.

SECTION 10. INSPECTION OF RECORDS

Grantee shall permit the City or its agents to inspect, during regular business hours, the books, papers and records kept by Grantee in the ordinary course of business and pertaining to the natural gas business carried on by it in the City, such as plats, maps and atlases identifying Grantee's pipelines in the City, and the books and records necessary to verify the amounts of the payments provided for in Section 11 hereof. Notwithstanding the obligation herein, Grantee shall have the right to request the reasonable protection of proprietary information and to provide redacted documents or require the City or its agents to enter into such agreements pertaining to confidentiality as may reasonably protect the proprietary information of Grantee but which do not unreasonably frustrate the purposes of this Section. The City shall promptly notify Grantee in writing of areas newly annexed into or de-annexed from the corporate limits of the City, and Grantee shall update its records for the purpose of payment of franchise fees as soon as reasonably practicable after receiving such notice.

SECTION 11. CONSIDERATION FOR FRANCHISE: FRANCHISE FEE

- A. In consideration for the rights and privileges enjoyed under this franchise, Grantee agrees to pay the City as follows:
 - (1) Grantee shall pay the City a Franchise Fee the sum of which is equal to Four Percent (4%) of the Gross Receipts received by Grantee, per billing period, from the transportation, distribution, and sale of natural gas for domestic, commercial or industrial consumption within the municipal corporate limits of the City.
 - (2) In the event that the City, pursuant to Subsection 3.B. of this ordinance, requires persons transporting gas pursuant to a Transportation Tariff Arrangement to pay compensation to the City for use of the Public Ways in connection the sale of Transport Gas, said compensation shall be calculated as a Volumetric Rate Fee for such Transport Gas, which shall be the sum equal to the then current Volumetric Rate multiplied by the number of Dth of Transport Gas reported or distributed through Grantee's facilities within the municipal corporate limits of the City by grantee or by any third-party to transport customers for consumption within the City. Grantee will in that event collect such Volumetric Rate Fees from persons transporting gas pursuant to a Transportation Tariff Arrangement and remit the same to the City.
- B. In the event a customer of Grantee does not pay a monthly bill from Grantee in full, Grantee shall prorate its payments of remissions to the City for sums due on that particular bill so that the amount actually paid by the customer to Grantee on the bill is distributed to Grantee for the natural gas commodity and transportation or distribution service and to the City for sums due on the bill in proportion to the percentage of the total bill actually paid by the customer. In the event Grantee actually collects any outstanding amounts due on a past due, unpaid or partially paid monthly bill to a customer, then Grantee shall pay the City its proportionate share of sums due to the City on such bill.
- C. All sums due from Grantee under this Section shall be payable monthly on or before the 25th day of each month for the preceding calendar month, which sums shall be in lieu of all other franchise, license, or occupation taxes or fees, which may be levied or attempted to be levied on Grantee by the City.
- D. The City Council may waive the Volumetric Rate Fee or any part thereof due from a Transport Gas Consumer, but such waiver shall only be granted if:
 - (1) The Transport Gas Consumer could otherwise obtain its energy needs from another source that would not be subject to the fees imposed in Subparagraph 2 of Subsection 11.A above and sufficient evidence is produced by the Transport Gas Consumer so as to substantiate such alternative source; and

- (2) Such alternative source, including all other fees, would be less than the cost of utilizing Grantee to furnish and transport the gas or transport alone, as the case may be.

- E. In the event Grantee shall hereafter accept any franchise from any city in the State of Oklahoma having a population in excess of thirty thousand (30,000) according to the most recent Federal Census which provides for the payment to such city in excess of the franchise fee provided herein, then the franchise fee rate provided for herein for the same class of service in the City shall be automatically increased as of the date of Grantee's acceptance of the other franchise to such higher rate. Grantee will promptly notify the City of the acceptance of such franchise by such other municipality and the effective date thereof.

- F. In the event the accounting rendered to the City by Grantee is found to be incorrect, then payment to the City or reimbursement to Grantee, as the case may be, shall be made on the corrected amount, it being agreed that the City may accept amount offered by Grantee, but the acceptance thereof by the City shall not be deemed a settlement of such item if the amount is in dispute or later found to be incorrect. Grantee shall have no obligation, however, to make payment upon Transport Gas for which Grantee has not been paid. Grantee shall provide notice to The City of such delinquent accounts within ninety (90) days and the City shall hold Grantee harmless from the cost or liability for the collection of franchise fees on such delinquent accounts.

SECTION 12. CONDITIONS OF FRANCHISE

This contract, franchise, grant and privilege is granted and accepted under and subject to all applicable laws and under and subject to all of the orders, rules, and regulations now or hereafter adopted by governmental bodies now or hereafter having jurisdiction.

SECTION 13. INVALIDITY OF ORDINANCE

If any clause, sentence, or section of this Ordinance shall be held to be invalid, it shall not affect the remaining portions of this Ordinance, which shall remain valid and effective as if such invalid provision did not exist, although the parties shall be entitled to a judicial interpretation or construction of this Ordinance to address the validation of such provision by minimal amendment thereof. Further, should any governmental body now or hereafter having jurisdiction determine that Grantee shall not be permitted to collect in whole or in part the compensation due the City by others for Transport Gas as set forth in Paragraph (2) of Subsection B of Section 3 and Paragraph (2) of Subsection A of Section 11 of this Ordinance, Grantee shall thereafter have no obligation to make such payment to the City, in which event Paragraph (2) of Subsection B of Section 3 and Paragraph (2) of Subsection A of Section 11 shall be of no force and effect.

SECTION 14. ELECTION REQUIRED

This Ordinance shall not become operative until it shall be approved by a majority of the qualified electors voting thereon residing within the municipal corporate limits of the City at an election called for that purpose, and a special election is hereby called for the purpose of submitting to the qualified electors residing in said City, the question of approval or disapproval of this Ordinance, which election shall be held on June 9, 2015 between the hours prescribed by law. The Mayor of the City is hereby authorized and directed to issue a proper and lawful call and proclamation of such special election to be held on such date as aforesaid for said purpose, and the City Council is hereby directed to give due and lawful notice of such election and submission of said question to the electors of said City as prescribed by law and the Ordinances of the City.

SECTION 15. ACCEPTANCE, OPERATIVE AND EFFECTIVE DATE; EMERGENCY

In the event this Ordinance is approved by a majority vote of said electors voting thereon at said election, the Grantee shall file with the City Clerk, within Thirty (30) days after the official canvass of the votes and declaration by the City Council of the results thereof, a written acceptance. This Ordinance shall become *operative* on the date of filing of such acceptance.

An emergency is hereby declared to exist by reason of the fact that no other person, firm or corporation has a franchise to furnish natural gas to residents and inhabitants of the City, and for the preservation of the public peace, health and safety, and by reason whereof this Ordinance shall be *effective* immediately from and after its passage, approval and publication.

SECTION 16. REPEALER

Each and every other Ordinance or part thereof which is directly in conflict with any provision herein as to the grant of a franchise for natural gas services and the regulation thereof is hereby repealed.

SECTION 17. SEVERABILITY; HEADINGS

The provisions of this Ordinance are severable, and if any part or provision hereof shall be adjudged invalid by any court of competent jurisdiction, such adjudication shall not affect or impair any of the remaining parts or provisions hereof.
